This is not the only pattern we propose selling. We have the most improved patterns of WOOD COOKING STOVES.

Without dwelling upon the merits of the different patterns, we will conclude our notice by announcing that our

In addition to our heavy stock of Stoves we will keep constantly on hand, and manufacture to order, TINWARE.

TO THE CITIZENS OF MEIGS AND ADJOINING COUNTIES: The above remarks will demonstrate to you, in a ertain degree, the nature of the business we intend to prosecute. The manner in which it is o be done, naturally suggests itself. Do you wish to buy on credit? Then you have simply been wasting your time in reading our card. We cannot sell at our prices without losing money, if we have to credit. We have therefore, concluded to sell exclusively for

CASH.

And exchange for Old Metal, Brass, Pewter, Copper, Rags, Old Silver, &c., at their highest market value. Past experience has proven the beneficent results of the cash system, to both purchaser and seller, and it is for the benefit of our customers-who can buy much cheaper-as well as for our own-who can BUY and SELL cheaper-that we adopt this system. We respectfully invite you to call and see the improvements in our Steves, whether you wish to purchase or not; but we warn you, as you value your hard-carned money, not to lavish it away till you have given us a call.
